**Jenny Reed**
**Senior Vice President, Value-based Care**
**Baylor Scott & White Health**

Jenny Reed is the senior vice president of Value-based Care for Baylor Scott & White Health and the executive administrator for the Baylor Scott & White Quality Alliance (BSWQA), BSWH's clinically integrated network and accountable care organization. As the leader of the BSWQA's senior leadership team, Jenny guides the strategy development, long and short-term goals as well as overall alignment and organizational initiatives. She also oversees quality management for government programs as well as value-add contracts for local and national employers.

During Jenny's tenure, BSWQA has generated more than $410 million in savings over the last five years (2018-2022) and is consistently among the top savers in the nation.

Jenny is a Louisiana native who earned her Bachelor of Science degree from the University of Louisiana at Lafayette and holds a Master of Social Work from Louisiana State University.
