

Theresa Galizia
Senior Vice President and Chief Underwriting Officer
Berkley Accident & Health

Theresa Galizia is Senior Vice President and Chief Underwriting Officer of Berkley Accident & Health. She brings over twenty years of industry experience in underwriting, strategy, management, and data and analytics.

While Theresa's current primary responsibilities include oversight of the Berkley A&H stop loss underwriting teams, including the clinical underwriting team, she also spent many years in the managed care stop loss and reinsurance markets, focusing on Provider Excess Insurance, HMO Reinsurance, and Medical Excess.

Theresa holds her MBA from the University of Hartford.
