

Joseph Sabol
Senior Vice President
D. W. Van Dyke & Company

Joe Sabol joined D. W. Van Dyke & Company in 2019 as a Senior Vice President and reinsurance intermediary focusing on business development, particularly for Cell & Gene Therapy risk solutions.

Joe comes to D.W. Van Dyke with more than 30 years of experience in the medical insurance and reinsurance industry having held senior roles at both Swiss Re Life & Health America and Munich Health North America.

At Swiss Re, Joe spearheaded Swiss Re Life & Health America's re-entry into the US Medical Reinsurance market.

During his tenure with Munich Health, Joe also worked as a Senior Healthcare Consultant delegated to Munich, Germany leading consulting engagements throughout Asia, Europe, and Mexico.

Joe began his insurance career with Home Life Insurance Company.

Joe is a graduate of the Pennsylvania State University with a Bachelor of Science degree in Mathematics.
