

Brian Felty
System Vice President, Business Development, Value-based Care
Baylor Scott & White Health

Brian Felty is the System Vice President, Business Development, Value-based Care for Baylor Scott & White Health (BSWH), the largest not-for-profit health system in Texas. Brian's responsibilities include leading Business Development, Network and Navigation for the BSWH Value-based Care team as well as leading the Finance and Contracting teams of the Baylor Scott & White Quality Alliance (BSWQA), BSWH's clinically integrated network and accountable care organization. Brian is a member of the Board of Directors of Baylor Scott & White Texas Spine and Joint Hospital.

Brian received his bachelor's degree in economics from Texas A&M University where he then moved back to his hometown of Dallas. After working in healthcare Brian found his passion of serving patients and their families striving to remove the waste in healthcare. This led Brian to pursue his Masters in Healthcare Administration through Louisiana State University Shreveport and delivering value-based care to the community through the Baylor Scott & White Quality Alliance.
