

Robert Gelb
CEO & Board Member
Valenz® Health

Rob Gelb, Chief Executive Officer of Valenz® Health, is an accomplished executive leader with a proven record of strategic and tactical success across his 30+ year career. Rob is best known for inspiring and leading the development of the self-insured industry's first truly integrated clinical advocacy and cost containment ecosystem. Rob is widely regarded in the industry for being a results-driven leader and his commitment to a high-performance, "yes, and" culture, and use of data and analytically driven approaches that simplify the complexities of self-insurance.
