

Doyle Jensen
Enterprise Chief Growth Officer
ProCare Rx

Doyle Jensen, Chief Growth Officer - Enterprise. With ProCare Rx since 2019.

Doyle is responsible for the development and growth of our core affiliated companies, MC-Rx, EHIM, ProCare HospiceCare, and ProModRx. As a PBM industry veteran with over 20 years of experience, Doyle is an influential communicator and strategist that excels in building “value differentiated” product offerings. He is able to leverage his industry experience and leadership, repeatedly delivering exponential growth within his prior companies, positioning them as market leaders within their respective spaces.

Reaching beyond the traditional sales role and marketing functions, his focus is truly on where ProCare Rx can add value to each client’s product offering, working collaboratively with senior leadership to make sure goals and initiatives are met.
