

**Joseph E. Jurewicz, MBA CIC**  
**Senior Vice President, Pharmacy Consulting**  
**National Pharmacy Practice**  
**Alliant Employee Benefits**

Joseph serves as Senior Vice President and Leader of the East division for Alliant's National Pharmacy Practice. He is based out of New York and brings to the practice more than 16 years of consulting experience. Recognized in the industry as an expert in pharmacy benefits management and pharmacy underwriting, Joseph has implemented many unique strategies across all sectors of the market. He has advised health plans, fortune 500 companies, government accounts, Taft Hartley Funds, mid-cap clients and Private Equity clients across all industry sectors. Before joining Alliant, Joseph was the Northeast Market Leader for the pharmacy benefit manager EmpiRx Health. He has also worked in several capacities at Express Scripts and Mercer, advising clients on all matters related to pharmacy benefits. Joseph maintains active insurance licenses and is a certified insurance consultant. He holds a Bachelor of Science degree in finance and economics from Saint Joseph's University as well as a Masters of Business Administration from Fordham University.
