

Chad Schulz
EVP, National Director - Private Equity
Alliant Insurance

Chad has more than 20 years of experience in human resources consulting, technology, and employee benefits/rewards and currently leads Alliant's Private Equity Practice for Employee Benefits. Alliant's Private Equity Practice consults to 250+ Fund Sponsors, 1000+ PE owned portfolio companies, and is engaged in 500+ transactions per year. In addition to his leadership responsibilities, Chad consults directly with fund sponsors and portfolio companies on strategies to both reduce cost and optimize health and welfare spend. Chad has a Bachelor Arts Degree in Political Science from DePauw University and a MBA with a concentration in finance from University of Denver.
