

Chris Burns
CEO
Artemis Risk Solutions, LLC

Chris Burns has over 40 years of leadership experience in the insurance brokerage, insurance, and Insurtech industries including as CEO of the Employee Benefits Practice at Willis Group in New York City and London. While in that position, he was responsible for managing a \$500M global P&L, including 3K employees in 75 countries. He was also Managing Director at Sequoia Consulting Group in San Mateo, California, responsible for overall leadership and strategic direction of the firm.

He held executive leadership and P&L responsibility with other large global brands such as Cigna and AIG, as well as fast-growing start-ups including Vida Health. Earlier in his career, he held senior international positions for 12 years at Cigna in Athens with responsibility for Greece and the Middle East/Africa. Additionally, he led Cigna in Rio de Janeiro with responsibility for Brazil and at AIG in London with responsibility for the U.K. and Europe.

Chris is currently the CEO of Artemis Risk Solutions LLC, a leading provider of innovative risk management solutions headquartered in Dallas, Texas. Artemis specialises in Property & Casualty, Personal Lines and Employee Benefit solutions available in all 50 states as well as up to 90 countries worldwide.

Chris has experience in AI, Digital Health and Insurtech technologies in the insurance industry having served on Boards or as an Advisor to numerous companies in the U.S. and around the world.
