

Jeff Auten, PharmD
Director of Clinical Consulting
Leaf Health

Since November 2023, Jeff has led the development of all Leaf Health clinical programs. Beginning as a Clinical Pharmacist at Walgreens Specialty Pharmacy in 2016, he managed 340b programs and patients with HIV and chronic inflammatory conditions. With over 8 years in Specialty Pharmacies, Jeff's roles included Pharmacy Manager at Blue Sky Specialty Pharmacy, overseeing operations, business development, and clinical support. His expertise spans prior authorizations, infusion medications, copay assistance, and alternative funding, enhancing Leaf Health's clinical initiatives with comprehensive knowledge and experience.
