

Mary Ann Carlisle
Chief Revenue Officer & Chief Operating Officer
ELMCRx Solutions

Mary Ann joined ELMC in 2015 as Executive Vice President focused on Marketing and Operations. She has extensive experience as a senior operation, relationship management, and strategy professional responsible for driving opportunity in a variety of industries. Mary Ann began her insurance career in the legal compliance department of Comprehensive Benefits, where she met Richard Fleder. She also joined him at Thesco/T&H Group where she remained for 12 years, becoming leader of the Benefits practice. Mary Ann worked in financial services for several years before moving into the non-profit sector as Executive Director for a Philadelphia area scholarship organization. From there she was recruited to build the corporate sales channel at a large local communications company. Mary Ann has led the prescription drug companies at ELMC since 2018. She has built out the specialty drug programs and overseen the growth in these programs. Mary Ann also managed the rebuild of the Tesser platform. She received a Bachelor of Arts degree in history and sociology from Mount Holyoke College.
