

Amy Gasbarro
President
ELMCRx Solutions

Amy Gasbarro is a seasoned healthcare executive with a proven track record in leadership and innovation. Currently serving as President of ELMCRx Solutions, she is driving strategic growth and delivering transformative pharmacy benefit solutions. With decades of experience, Amy has held key roles such as Chief Operating Officer at Vālenz™, as well as various Board and Advisory positions, including Chairman Elect and Treasurer of SIIA. Her expertise spans operational excellence, client relations, and advocacy for self-insured employers. Amy is passionate about enhancing healthcare outcomes and steering organizations toward success.
