

**Matt Jarvis, PharmD**  
**Vice President, Pharmacy Practice Leader**  
**Lockton Companies**

Matt joined Lockton as Vice President in 2020 and serves as the pharmacy practice leader for the Founders Series of Lockton. Matt is known as an innovator, collaborator, and change agent and is passionate about reducing waste, improving outcomes, and leveraging progressive solutions in healthcare.

Upon completion of his PharmD, he spent 12 years with the Walgreen's Corporation, where he worked in a variety of functional areas, including specialty/retail pharmacy management, hospital/health systems lines of business, and retail chain operations.

Prior to joining Lockton, Matt spent 3-years as Director of Pharmacy at Rx Savings Solutions. In that role, he developed a deep understanding of marketplace dynamics, pharmacy supply chain challenges, and developed new clinical products to leverage Rx cost containment for Fortune 500 companies.

Matt is a subject matter expert in understanding current pharmacy market pricing as it relates to the supply chain and medication delivery to the consumer. Matt leads the development and implementation of innovative clinical solutions that drive optimal management in specialty drugs for Lockton clients.

Matt obtained a Doctor of Pharmacy (PharmD), from University of Missouri Kansas City; Kansas City, Missouri.
