

**Christine Johnston, MBA
Co-Founder and President
Foundational Pharmacy**

Christine Johnston is a co-founder and president at Foundational Pharmacy Strategies. Christine has been a consultant for over 20 years, focusing on pharmacy benefit management. Raised by two pharmacists, she understands the value of the pharmacy benefit to an employee. She is an accomplished Pharmacy Benefit Leader and Consultant with a demonstrated history of managing costs and improving processes. Prior to founding FPS, Christine led a small pass-through PBM. Christine is committed to bringing down the overall cost of care so that people don't have to choose between groceries and medicines.
