

Dave Parker
Vice President, Sales and Marketing
TrueScripts Management Services

Dave Parker is the Vice President of Sales and Marketing for TrueScripts Management Services, a fully transparent and leading-edge prescription benefit management company. His entrepreneurial spirit, visionary mindset, and rich history in the health benefits space are the key drivers behind Dave's success.

Dave is committed to helping employers curb rapidly rising healthcare costs while guiding members through the challenging and complex maze of healthcare. He also has a passion for developing future talent in the industry along with growing key strategic relationships.

With more than 38 years of healthcare experience in Third Party Administrative services, Stop Loss, and Prescription Benefit Management, and 30 years of leadership experience in sales, marketing, and client management, Dave is no stranger to the ins and outs of the industry.
