About Congresswoman Jackie Walorski

Jackie Walorski is a lifelong Hoosier, born and raised in South Bend, who has dedicated herself to helping Hoosier families. She is grateful to represent the people of Indiana’s 2nd District in the 116th Congress, serving on the House Ways and Means Committee. She works every day to boost economic growth and job creation, restore fiscal responsibility, strengthen our national security, support our military, and honor our veterans by ensuring they get the services and care they earned. Since she was first elected to Congress in 2012, Jackie has been committed to bringing Hoosier common sense to Washington and reaching across the aisle to achieve bipartisan solutions.
